“ *Known Donna from school days...she's such a good person! I saw her last time in 2008 at Methodist Hospital....I was heading to elevators to visit my dad...and heard someone holler across the room...."OMG! Tracie Berry"!!! My first thought..."Who in the heck knows me up here??" We just laughed and chatted...I have never forgotten that.....I will miss you Miss Donna*

“ *Our families grew up across the street from each other, the Wrights and the Sorrells . We are all cousins. We spent lots of Time in the West End Park together playing games in the street together and running around with Friends of the same Circle for many many years. Lots of great fond memories from the West End of Rushville. We may have been known in society as the lower class but we were the ones with the most love and family commitment. Even though our paths have branched off we are still connected at the heart. We love and will miss you Donna. Our hearts are heavy in grief with your family. Love and hugs*
