“ Liz has been a special friend for many years. We had lots of good times together. My husband fell in love with her too. We have been going to Florida for many years and he always told me that was our vacation and didn't want to share it with anyone but us. The time got closer for us to go and John asked me if he thought Liz would go with us. She went and John spoiled her so much and she would always tell us both that she will never forget that trip. Every single time we were together after that, she would tell everyone when we were together about it. Gone but will never be forgotten.....until we meet again💕

“ How I wish I could give each and every one of you a big hug! "Lizbethann" was always so sweet and I loved her laugh! Your family holds a special place in my heart and you will be in my thoughts and prayers during this hard time! Losing a love one sucks for those left behind, but for Liz, it is the best day to live forever with her Savior and to be reunited with her loving husband, Jim. Love and Prayers, LeeAnn Diekhoff

“ *As a small kid I remember following Liz everywhere. As I grew up I continued following her. I adored her! She was my big sister... I loved being around her. I grew up, I moved away... buy the love for my big sis has always been there. My heart is so heavy. I'll miss her.. even if I only seen her a couple times a year.*
