“ *Heaven gained a treasure...so many fun memories I have at the Tucker home. "Mammy" was always fun to be with, and her home cooked meals were such a treat! She drove Susie and I everywhere and I will always remember her laugh. Love to Susie and the family*

“ *To Richard, Jim, Diane, and Susie: I cherish the memories we all had as children of your mom and grandma Dunbar driving us over to Arlington to spend afternoons. We lost mom last year on May8th and I know it is difficult to lose our moms. I still pick up the phone to call her. My thoughts and prayers are with all 4 of you in the months ahead. Ellen*

“ *Liz and I have shared so many fun wonderful memories over the past 30 years. It started with our World Book connection and only grew from there. I still treasure towels that Liz embroidered for me on her fancy hi tech sewing machine. We had so many great lunches and fun conversations. She was a dandy for sure and will be missed by so many. I'm just thankful for all my wonderful memories of her* ❤️

“ I have many warm memories of Liz. Her laugh was contagious. I would visit and we would remember days of her and Bob and my parents Paul and Barbara Kuhn. They were good friends and many thought Liz and mom were sisters. We would giggle and solve the world’s problems. I loved her dearly and all that she contributed just by being a part of it. You will live forever in my heart.
