“ Gary,

Your Mom was such a “pistol”, and she took no BS from anyone! And yet, she could be so kind and generous. For two consecutive Summers after high school, she let me stay at her home while I worked at Moriarty Farm Barns (with Ralph), and at Pioneer Seed Corn Co. in Rushville. Every evening after work, she prepared a delicious home-cooked meal. Much later in life, she and my Mom (Viola) would go to Bingo; but Lou insisted that they not sit together, (since Vi would want to talk too much and distract her from the game). Emma Lou was a wonderful sister and companion to my Mom – providing her with advice about Everything! Memories of your Mother will always be with me.

I remember Grandma Vi talking about her and Emma Lou not sitting together at bingo on several occasions while sitting on her barstools in New Palestine! Her talking about their interactions and how close they were in their own way and their back and forth always made me smile. It was one of my favorite things.

“ Her son Gary is definitely my "brother from another mother". We have been friends for over 60 years. Have had many disagreements but never became disagreeable towards each other. When we moved from our Sexton St. home, they bought it from my Mom and Dad. Through the years, we have been able to stay very close even though there are miles between us. I will always have very fond memories of Emma Lou for many years to come. RIP

“ Great, fond memories of Emma Lou & "Ralphie" since 1964. A lady with a lot of "spunk" & a lot of "voice" if angered. Not that any of us have been on the receiving end! How lucky you all & we all have been having Emma Lou in our lives all these years. Poke Ralph for all of us...
