“ So many family memories come to mind this week as we honor my aunt. In thinking back in time, it seems she got to travel and live in many places and I am sure more than I even know. I recall them living in Carthage, Indiana, Arizona, Rushville, Okeechobee, Florida, Rising Sun, Indiana, and St. Petersburg, Florida. I light this candle in honor of all those family memories I share with her children and all of our family. May peace be with us during this time.
