“ *I learned with deep sorrow of the passing of Evie. I was a "latecomer" to Rushville/Rush County, starting work as the publisher of the local newspaper in late 1989, but I quickly learned that Chuck and Evie Fahrner were a delightful and beloved couple in the Rushville community. During the years I wrote a weekly column in the newspaper, they were devoted readers, often responding with interesting comments.*

Any community is enriched by the presence of people like Chuck and Evie, and truly diminished when they depart. Rest in peace, Evie, as you go to join your dear Chuck.

“ Our prayers are with you. Evie and Chuck will always hold a special place in our hearts. One of many fond memories is when we took Dylan and Jessica over to visit at Christmas time. Between the fantastic decorations and the story- stretching conversations, we were All convinced that we had just landed at the North pole. lol Yet, Evie was still able to convey the reason for the season . JESUS.....They are home together now. Until meet again. Until we meet again.

I have such wonderful memories from visits with Evie and also Chuck. We would laugh and laugh at the various stories or events going on in our little world. Our humor was so much alike. I loved your spirit Evie, always in my heart.
