“ *Felecia and I worked at Rushville National Bank in bookkeeping -- we had so much fun working there--so many laughs. John Jones Sr. --Butter's dad worked at the bank also and every now and then John would come flying thru the bookkeeping office and out the door to the hallway headed for an interior room with no windows. Felecia would look at me and say Guess it's gonna storm-- sure enough the thunder and lighting would start and we wouldn't see John again until it was over. John hated lighting!! Felecia was one of my best friends --I will miss her --I always knew she was just a phone call away. God Bless!!*

“ John & Amber I am so sorry for your loss. I worked with your mother at Zimmer in Warsaw. She also bought me a peach Iris plant. I really enjoy it and I will always think of her each and every time it blooms. She also would give my mother salt and pepper shakers, she knew that she was a collector. I will always remember her as a loving and giving person. I will also cherish all the stories about her family. She loved you all very much. Her grandchildren are so special to her. Remember all the memories. My thoughts and prayers are with you all. Johnna##imported-begin##Johnna Knisely##imported-end##
