“ To one of my most loyal friends and companion of years, may you finally find the peace you have so desperately been searching for all these years. I personally have known the love you had for your parents, sisters, and cat Nikko. You had a tenderness towards me that I may never find again in my lifetime. Thanks for all the soul-searching we have done lately as I visited you at hospitals and nursing homes. - Eileen Heller-Briscoe Proffitt

“ I took care of Gary when I was an aide. He was funny and very sweet. Rest now and fly away

“ Fun times and memories. We joined the Marine Corps together under the "Buddy Program" (i.e.) we both were to be shipped together to Marine Corps Recruit Depot (MCRD), San Diego and have an adventure of a lifetime together. Gary decided to leave before I could and that was the end of the "Buddy Program." Gary fought his demon's as many of us do and we kept in touch during our time in the Marine Corps, for years after and as time & life moved on so did our visits. I can't remember when the last time we seen each other. RIP my friend and Semper Fi!
