“ *I remember the first time I saw Dr> Alexander. He came to our farm to look at baby pigs. His smile was infectious. He and his wonderful wife , Sue lived 2 farms down from us. I remember watching over little George on the school bus. I would not let anyone mess with him.He, Judson, Angie, and Marna were always favorites of mine. Then time sailed by and along came Brock and Brando who were two of my favorite students at Eastern Hancock. My Dad raise purebred Poland China hogs on our farm and Dr. Alexander was always right there with care and knowlwdge. My Dad, Bob Wilson always stopped by the state veterianry office when Dr Alexander. What a wonder, caring and compassionate man he was. Many precious memories.May God be with you ath this time of bereavement.*

Countles times I remember running past your home in Shirley when I was in high school and seeing him in practice on his rodeo skill set.
