“ George and his family were our neighbors for many years on old 44, he also knew my grandma and grandpa. George never got in a hurry that probably accounted for his longevity. I hadn't seen George for a while but I often thought of him. I pray that he was greeted by Nellie (beloved wife) and Jill (his little girl) upon his departure. Sad to hear of his passing, lots of memories that I have of George and his family.

“ George was shipped out of Rushville for military service on the same day as my uncle George Nelson Christopher. They rode the train together to Indianapolis. They split there as my uncle went to the Navy. He died on the Savannah ported in Italy. George was a friend full of many good stories of westender in Rushville including the depression,my family that I never met.
Great man ! Great stories
