“ *We lived on the same block in Circleville with George, Sarah and kids! I started calling him the Mayor of that block! George was a huge outdoorsman Hunting, fishing etc. I was bow hunting on a friends private property south of Rushville. No didn't get one! Saw George the next day and he was just smiling. He ask me if I got a deer at my friends house. I just looked at him. I started to ask him where he was located when he calmly said to the east of you about 40 yards. I never knew he was there! Over the years I would mention that to him he would just smile. Special ops comes to mind. RIP neighbor....*

“ I am so sorry to hear of George's passing. I will always admire George. He coached everything back when I was a kid. He was my first baseball and football coach. He was the perfect coach - he was tough, but we all loved him, and we understood that he cared about us.

*When I was nine, I tried out for Little League. Even though he was a Cub League coach, George went to the Little League tryout to see if there were kids (like me) who may be better off starting out in Cub League with kids their own age. He talked to my dad about it, and I played for George's Braves. My first baseball practice, George tried me out pitching, and I couldn't throw a strike. He walked to the mound and said, "Point your left toe at me when you throw." I always remember that as the best pitching advice I ever got. He would also take his gigantic hunting trophies and convert them to baseball trophies for us, which was a real treat. When youth football started in Rushville, I wasn't registered, but George drove to our house to talk to me about playing - which I did. He certainly went ABOVE AND BEYOND.*

*Our thoughts and prayers are with the Yazel family. Rest in Peace, George.*
