“ *Gina, I'm missing you & really sad & my heart is heavy as I write this. We just met at our sons' ball game about 4 weeks ago, we would park next to you. The other day, Thursday was the last time I had talked to you. You had asked if you could set in the van with us if it started to rain because your friend wasn't back yet, I said that's fine. When it started raining, me & my mom was wondering where you were, we couldn't find you. That was our last words together, I didn't get a chance to tell you "see ya at the next game". I will remember our short conversations and the short time I knew you. You was a sweet person Gina. Till we meet again my sweet friend... I miss you!*

“ *My thoughts and prayers go out to family and friends. I am very sorry to hear of Gina's passing. Our families were neighbors many years ago and I have never forgotten about Gina and the family. Randy, Rocky, Charlotte, and Al - I am truly sorry to hear this. I have thought of Gina many, many times over the years as we were born on the same day with me a year earlier. I can remember Gina telling me that I would always be the older one. God bless you all.*
