“ *Kay, my heart breaks for you. I'm so glad we will all be together again with no more goodbyes or tears. He will be waiting to welcome us, of this I am sure. David and I are continuing our prayers for you and your family. I pray that the Lord sends comfort and peace to you and your kids. We love you. David and I will always cherish the times we sat at Cracker Barrel and laughed til we cried at Glen's stories. He sure was good at entertaining everyone. If we can be of any help, you know we can be there by your side in a matter of hours. We are honored to have known Glen.*
