“ *Roy I have found very few young couples as dedicate as you and Gretchen were to each other . I realize you will ask yourself "What did I do wrong to be treated this way " . I just said the lord needed an angel , I am glad that I could help his plan . Feel free to stop by sometime to talk , I can not say I know how you feel , that is not possible . Roy /Marilyn Mohr*

“ *Whether it be teaching together, or sharing the antics of her goats, she was such a card to be around. Always up for an adventure Boondocks style and a smile, she will be missed dearly! I will miss you my friend!!! God, please watch over, and bring grace to Roy and the boys, the loves of her life. She was so proud of each of them, and the young men her sons had become.*
