“ Harry Jones was the BEST friend anyone could ask for. His smile always lit up the room and he had a great sense of humor. He loved to dance... oh how I'll miss I dancing with him. He loved karaoke and we had our own special crazy song we loved to do, but I'll never sing it with anyone else and I'll listen to it with wonderful funny memories of him. Harry was so much more than a friend though, he was my family and my sweet late uncles best friend. I know he was welcomed with open arms of his loved ones as well as Jesus... now he dances on the floors of heaven. I will love you through eternity uncle Harry. You will always be missed here, but we will cross paths again. RIP sweet soul.

“ Harry was one of the kindest, most genuine man Ive ever had the privilege to know. We loved hearing him sing karaoke or cut a rug (dance) with his friends. Always kind, polite and a pleasure to see. He was loved by all who knew him. He will be so missed.  
**RIP DEAR FRIEND.**
