Louis was the patriarch of the Thompson family. He outlived every one in our family. He lived life to the fullest and was full of life to the end. He will be remembered as a gentlemen , comedian and one that did not take any wooden nickels. We will miss you but I know you are with your dear Neppie and very Happy. You said no one could cook as well as she. I know she has that beef roast ready. Rest in peace dear cousin.
