“ Words cannot express how much you will be missed. My best friend since third grade...we had so many good memories and good laughs together. These memories are what I will cherish and hold onto through tough times. I was blessed to have a friend as wonderful as you. We always signed off LYLAS...and you were always like a sister to me. This is not goodbye, it's until we meet again. Heaven has gained a beautiful, sweet angel. Much love to your beautiful children and the Frazier family. My thoughts and prayers are with each of you.

“ Holly I'm speechless to say the least. So many memories over so many years. From softball as young kids with your mom as our coach with many trips to Dairy Queen because we won. Continuing all the way through high School with many volleyball tournaments and our memories with Tina during the final four as we shared a hotel room. I will hold these memories very dear to my heart and cherish them forever! Fly high beautiful and show them that amazing smile. 😘
