“ Howard (Pappy) was one of the hardest working, caring, dedicated, and honest person I've known. Also a little ornery! When he talked or showed you something you learned from him! Heaven gained a good today! My thoughts and prayers for his wife, family, and friends!! May God be with them through this difficult time!

“ I remember Howard Lower having these qualities; an American, a veteran, a Hoosier, and a friend. I recall his enthusiasm was the creation of his "America Bless God " motto. He stopped one 4th of July dressed in his original military uniform from serving in Korea. I believe he was a medic. He proudly could fit into his original uniform.His truck was proudly patriotly adorned for the 4th of July parade in Rushville. He often graciously handed out the magnetic plaques of his 'America bless God " motto. I will miss Howard and his passion for life and this great country! My condolences to his family.
