“ *Ida was such a blessing to my father, Jack Fentz. They became fast friends when he moved to Okeechobee. I think she worried about him, as he was a bachelor. So, she would make him meals regularly and kept him with great company during their afternoons at the VFW. We loved our visits with her when we visited my father and we admired her feisty personality! I hope she and my father are reunited and sharing a corner at "the club"! Our deepest sympathies to the family of Ida - a sweet, sweet woman.*

“ Miss Ida you will be missed dearly!!! I work at the VFW 10539 boy was she one of a kind!!!! She enjoyed cooking and would always have a treat for one of the guys she sat with they were always so delighted when she would bring them in treats!!! My husband and I detail cars and we detailed her car and after that we always joked with her that her car is a oversized golf cart because of all the golf related stuff she carried with her...always ready for a golf game....we will miss you!!!

“ Nannie, you were always so much fun! I have so many good memories of you that i can't just pick 1. I'd say my fave memories were your golf course house in Okeechobee. We'd ride on the golf cart, go swimming, go to the beach. You loved cooking & you'd make your home made spaghetti sauce & fudge. I will miss our talks. I could always talk to you as my friend. I remember leaving Mom's last wk & saying "i love you" & Camdyn giving you a hug. I didn't realize it'd be my last time seeing your face. I'll miss you terribly. Luv u Nannie!
