“ To Jay, Doug, Donna, Tom, Richard, Diane, I am so heart broken for your loss. Jean will be dearly missed for all the love she showed to everyone around her, her strength and determination to do what she desired to do, despite the pain she was in, with no complaint and the joy she found in her family, friends, children, grand children and husband. May God bless and keep her and her family and friends as strong as she was. Love Tammy and Roberta.

“ Jean was instrumental in my early nursing career. She taught me many things such as fundamental nursing skills, slick ways to get med in patients that needed them, prune juice cocktail recipes & much more! Then she was our "scheduling coordinator" how could an employee say they were too sick to come to work when she did EVERYday no matter how great the struggle or amount of time it took to get everything moving & never complain or whine. She demonstrated great work ethic, compassion, patience & fairness. I always admired her. Soar freely now Jean- I'm sure God is saying "well done...." Prayers for comfort & peace to her family.
