“ Isabelle was the sweetest soul. I remember working with her at 3-D and I thought WalMart too. Her daughter Connie was a close friend of my sister. Hugs and Prayers for the family.

*My first job was Woolworth where I met her. Then I saw her at a sale she and Connie had around 1987 where I bought a blue pitcher and bowl set. We talked about old times we shared at Woolworth. She was a wonderful lady everyone loved. So sorry for the family who adored her.*
