“ Keith, I never left a message here when you passed. Not sure why. Maybe it was too hard. I was thinking about you today and wanted to say I love you and I miss you. I carry you with me more than people know.

“ I just found out about this trying to look up my old friend from Pa/Ind. I grew up with Keith in Pa., and drove out to Indiana with him in our high school days. Rode dirt bikes together, many other activities we took part in growing into late teens and young men. Gods peace my friend , we'll meet again I hope when all is said and done here.
