“ Jack was always so kind. He also had a happy smile upon his face all the time. He was a very good talker and carried on excellent conversations on the way and way back from my drs appts in Indy when he was the driver for his company to take me. Always had a kind conversation and we always found coincidences for many conversations. I'll miss jack very much as he played a very kind part of my life as I love to talk too!!! Prayers for Norma Jackie and the rest of his family. R.I.P. Jack I'll miss you truly,

Jack was a gentle giant of a man. Our families go way, way back. He helped our family out on several occasions when I was in high school and beyond. I know there are a great deal more families and stories like ours whom he helped out in so many, many ways. Jack is a real loss to his family and to our community. Peace be with Norma, Jason, Linette and the rest of Jack's family.

Well done good and faithful servant!

Until we meet again my friend,

Kevin Snyder and family
