“ *When our daughters were young, we would go and spend time with Jack and Chloe. We would pick up my dad (Harold [Hoot] Brashear) and head over to their farm. During those special visits, Jack taught the girls how to fish, we picked blackberries, and made homemade ice cream. Gary's kids took the girls around the farm on 4-wheelers. Chloe always cooked a big meal, and they made us feel so special. We have wonderful memories of our time together. Jack's generosity and kindness will not be forgotten. So sorry for your loss. Our thoughts are with you.*

*Love,
Micki, Mike, Erin, and Laura Taylor*

“ What an amazing life resume by Jackie, Sr - father, husband of 70+ yrs, grandfather, great grandfather, brother, man of faith, veteran, farmer, government employee.....that would have taken an average man 150 years and Jackie did it in 91 years! Truly incredible! My sincere condolences to Jackie, Jr and the entire Dowd family.
