“ *I have and always will treasure my memories of my Aunt Jackie. She had a smile that would light up a room and a laugh that was contagious. My heart breaks for the family she left behind but, I can only imagine the reunion she had with Kimmy!! Her body will never again know illness and her heart will never again know sadness! I love you Aunt Jackie and will always treasure my memories. Until we meet again.*

Time may change circumstance but it doesn't replace the love one has or the memories they hold dear. My thoughts and prayers are with the family. Rip Aunt Jackie. Love you always.
