“ Jimmy being my older brother, I remember he would stand in front of the mirror and sing along with Elvis using a hair brush handle for the microphone.

Roxann Neal was his high school sweet heart, after a date with her he would come in and get on the telephone and talk so quietly for the longest time, I mean hours at a time they would be on the phone. (hours)

He really liked good looking cars, fast cars, hot-rods and the color red, and blue.

one time we were going some place in his car, out on 52 late one evening seven or eight a clock and he said to me you have your seat belt on ? yea

he said I'd like to c what this tops out at? then he took off he was doing about a hundred mi. per hr. said it sounds good! yea! til I told him (red lights) behind him! here they come, he was quick to think, shut it down and dissappeared.

we wern't seen, we set and talked about alot of things that day, long ago.

he loved his childern, loved little Babies. we talked on the phone nearly every day, sometimes 2 or 3 in one day. he wanted to get is neice's baby Olivianah, whom resided

with him and mom , a small t.v. that would play movies, cartoons and nice movies he said; teach her well, the better things in life. so I got it for him and he payed me for the t.v and the movies. he would set with livi and play movies to interain her., really enjoyed the time he got to spend with her and mom, he was so very close to mom had been for meny years, he told me he tryed talking to Krista in hopes one she will wake-up.. is how he put it. he said she has her whole life, and able to walk and get out thair and do right, go to church and be good person and live right. I know he wanted peace, in his life , he had dreams to move to Tenn. enjoy alot better then the way he had it, he would say why do people treat me mean and mom whom he cared deeply for. he did what he could for the ones he cared for , his was limited, but a big beliver in Jesus he told me what he had red and what has happened and what is yet to happen. he would say produce good fruit

by the power of the holy Spirit. A good person produces good words from a good heart, and an evil person produces evil words from an evil heart."

Matthew 12:35 life is short, do good! Rest in peace now my brother . for you are where the lord wanted you. I Love you and will miss talking to you on the phone, our bible conversations. Thanking God, when you go through deep waters and great troubles, as you did. for I know you are with the LORD our God, the Holy One of Israel, your savior.

Isaiah 43: 2-3
