PS

“ Words just can't tell you All that our hearts would say... Just know God knows the pain you feel... he holds you close in his arms just as they do Jimmy. Someone sent me a card when my Mother-In-Law passed that touched my heart and I want to share it with all of you. " We are all creatures of this great earth. Interconnected in ways beyond understanding, Take elephants. So big. So strong. And yet, when a member of the heard passes, even elephants mourn. They gather around, extend their trunks, and gently touch the tusks of their fallen friend. It's their ritual. It's how they heal. And it's sad. And it's beautiful. So what I'm trying to say is the world doesn't expect you to be fine with this. Be how you need to be. Mourn how you need to mourn. And know how much we love all of you. You are in my heart and prayers.
