“ Ohhh Uncle Jimmy 💔😭 life will never be the same with you gone. The boys are so hurt by you having to go so soon but they can't thank you enough for making all the good memories with them that you did. Halloween won't be Halloween anymore 💔 they loved everything about you and Braden definitely enjoyed all the random selfies he would get. From the time Owen could crawl he was knocking at your door when you lived next door. He is so torn up 😭 you was the best Uncle that anyone could get blessed with you made everything so much fun. The boys and I will take care of your final resting place often like we do the others. You are already missed so much. We love you uncle Jimmy ❤️
