I wished I could have been there in person for my brother & his wife, but this streaming made it possible for me to be there in spirit. The pastor preached a "right on" sermon. Jamie was a lovely person even reaching out to her aunt in TX who she really didn't know, but wanted to make the connection. That's what we should all do. Connect with one another. I love you dear family.

“ So much sadness, my heart aches for the family. Jamie was a gem, a true genuinely big hearted and very loved girl with a contagious smile that would fill your heart with joy. May God be with her family and many friends during this difficult time. Heaven has gained an amazing Angel...God Bless All ...
