“ Aunt Janet, she was like another Grandma to us all! Will never forget the Sunday morning's @ Janet's house for breakfast. She never knew who would be coming but always had coffee and cinnamon rolls ready. Occasionally, she would forget to remove the metal lid off the bottom of the last roll. May you rest in peace and rejoice with friends and family above who welcome you with open arms! Love you!

*Oh my sweet Janet. Going to miss you. (Already do) Janet was my very best friend. We have been friends for 47 years. I started to work at Danner's 5 and 10 in 1969. I guess Janet took me under her wings. Then we went on down the street to Danner's, from there to 3-D. After 3-D closed, we both started at Big Lots together in 1989. Janet worked till Big Lots closed here in Rushville. Then she retired from retail. We have stayed very close friends. Went to see her, she did not remember me anymore, but I remember her. The other day, Janet told me I was the one who always came to see her. I have so many good memories. I want to pick up the phone and call her. We had some long phone calls. All the laughs we have had over the years. I remember one time we got a new assistant manager in. Janet told him I would go to dinner with him. Now I was so shy. Janet just laugh. She thought it was funny. And I did not eat much. Love my friend so very much. Rest in peace Janet.*
