“ Not being a religious person, I have no idea what comes next. I only know that there is something. And I suspect it's something wonderful. I think that when we cast aside the burdens of this life, our spirits are free to be the person we truly are - without worries, fears or pain. But I think the love we share and create in this life holds us to those we left behind, as the love of those who we lost draws us forward. In the end, I believe that love is the only thing that is eternal. Keep talking to Janet. I know she hears you.

“ Janet was a beautiful soul with a kind, loving spirit and a great sense of humor – she would come up with a zinger when you least expected it. And she was the mother of a few of my favorite people in the world. I feel very blessed to have known her. Love and peace to all xo

“ We are saddened for the loss Janet, your loved one and very precious woman of God. She was one of the most loving and kind persons I have ever known. I am very blessed to have known her. I know she will be greatly missed by all who was blessed to have her in their lives, however, I know she would love for all of her family members to join her one day where she is spending her eternity in our Heavenly Home. I loved seeing her and speaking with her when she frequented the library and also when I would patronize the radio station. I pray for your peace and comfort for the loss of your beautiful Mother, Sister, Grandmother and dear friend and more names I am sure she would answer to like Angel or co-worker or mentor to name a few. “ So sad to hear of Mrs. Land passing. I still remember her from when I was a very young child living across from them on Cherry Street. Playing with Lori. Mrs Land was always so sweet, and remembered me every time she seen me since. my heart aches for you all.

“ The kind words I'm reading here serve to confirm what I've always known about my sweet Grandma Janet. Her kindness has always made a huge impression on me, and that will never change. Her positivity was second to none. That smile, that giggle, those kind words when I needed to hear them the most... those things will never fade from my memory, and I know I'm not alone in that regard. To all of you who shared in her life, know that any love or admiration you hold for Janet Wylie Land is not a one-way street. She loved all of you too. She will be greatly missed, but her legacy of kindness and compassion will live on through all of us.

My very first job was at Pizza Hut. On Friday nights she would call in. I would hear her sweet, unforgettable voice say "Hello" and I would say, "Hi Janet, the usual?" She would always laugh and be surprised that I recognized her. But how could you not? Her voice, her smile, her kindness and loving heart even came through over the phone. From working at WRCR to Fujitsu Ten to Rush County Players, I had the good fortune of making memories with Janet. I may have just been a small part of her life, but she made a huge impact on mine. She has always been one of my favorite people. I love you Janet, rest well in God's arms.

“ I will always remember our trip to Vegas... Janet, Karen, Jun and myself... All she wanted to do is go to Vegas and I told her ok, I will take you... and we all packed our bags and had a wonderful time... Of course Janet was the biggest winner of all of us. But for us we were really the biggest winners, because we were blessed to spend that very special vacation with her and help her fulfill her dream to go to Vegas and pull that lever... Janet has a very special place in all our hearts and will be missed so very much... Hugs Janet, until we meet again... I will be waiting for your hug.. XXXOOO

“ I remember running into her at Kroger one day she was ringing the bell for the Salvation Army. We chatted a few minutes and I noticed she didn't have on gloves, her hands were cold. I had just left WalMart and had bought a two-pack of gloves, so I went back to my car and gave her a pair. She was thrilled! Rest in peace my F10 friend/family. You will be missed.
