

## Jared Lee Chance

May 6, 1988 - June 26, 2017

On Monday, June 26, 2017, Jared Lee Chance passed away suddenly at the age of 29 years at South Lake Hospital in Clermont, FL.

A loving brother and son, Jared will be forever remembered by his mother Michelle (Hull) Scudder, his father and stepmother David and Dawn Chance, his sisters and brother, Taylor, Brooklyn and Kyle, and by his niece, Charlotte. Jared will also be dearly missed by his grandmother, Janice Hull and his grandparents Joe and Rosie Chance, along with numerous aunts, uncles, cousins and close friends.

As a child, Jared grew up in Rushville, Indiana, and later spent his teenage years in Greensburg, Indiana. He eventually moved to Clermont, Florida, where he spent the last few years of his life surrounded by friends and doing what he loved: spending time enjoying the outdoors and salt water fishing. Jared was deeply cared for by many, and was known for his big heart, beautiful smile and generous attitude. While his life on earth was short, his positivity and warmth touched everyone he met. He was a great friend to all, especially in a time of need and enjoyed spending time with his family.

A celebration of Jared's young life will be held from 9-11 AM Wednesday, July 5, 2017 at Moster Mortuary, Rushville. Graveside services will be held at 2PM on Wednesday, July 5 in the Greenwood Cemetery in Greenwood, IN. Pastor Jeff Alexander will preside.

Memorial donations in memory of Jared may be made to the Indiana Donor Network at [IndianaDonorNetwork.org](http://IndianaDonorNetwork.org).

*Little brother, I hope you are with all our loved ones, away from this fentanyl-laced Fugazi FB update status of-a-life. That's why the few that are here, are, still here, I believe. We have to either be punished, or see, do, help, someone else. Cause, "All my Rowdy friends, are UNDERGROUND. n seem to be more in the South Park sounds. Nobody wants to get drunk and get loud. Cause everybody on the Suboxone. Nobody wants to get high, on the town. All my Rowdy friends are UNDERGROUND." We got it in, you already know, but, still miss you bub. To the family, I mean this out of pure respect. Mom n Grandma already know. Much Love & Respect. 1000
