“ Mom, I am simply Lost Without You, I haven't lived my life Ever without you in it, and right now I can't fathom the idea of never seeing you again. You taught me so many things like how to be Strong, how to take on life's many curve balls but Most of All you taught and showed Me how to Love Unconditionally especially when it is Family. I have lost a piece of myself when you left but you are Forever in My Heart and Soul. I Love You Mom. Love, Sis
