“ I worked with JoEllen and she rode to work with me many times. I had just talked to her the day before her passing and was in shock when I heard the news. My thoughts and prayers go out to Jay and their children and families. She was a wonderful person and know your hearts are burdened. Blessings to all of you.

“ Jay Sr., Jay Jr. Jarod, So very sorry for your loss. The last time i saw joEllen was at the Rush Co. Fair, but didnt have a chance to talk much. After I retired selling MaryKay, we didn't get to see each other often. Those are times we would always talk about our sons and grandchildren. She will be greatly missed. Our sincere sympathy, Sharon and Ivan Wooley

So sad to learn of Jo's passing. Many treasured memories of Arlington include her. Met Jo by chance selling sour ball candies as a junior high schooler. She put me to work babysitting JJ, and kept me on after Jarod was born. We remained friends for many years. Each time we connected she always gave me a warm hug and made me smile. She was a pleasure to know. May all of you find peace knowing that heaven has a new angel.*

To all the Springman and Wright families. I am so sorry for the loss of your wife, mom, and sister Jo Ellen. JoEllen and her family grew up with my family in our younger years. Our families spent time at each others homes and we had some family camping trips along the way. We lost contact over the last many years but I always remember the Wright gang with wonderful memories. Rest in Heaven Jo Ellen

21 years of sharing as we watched our kids grow up. I am shocked beyond belief. She was always there for me when I needed a friend. Jo was a very caring person that would do anything for you. I am broken hearted to lose such a great friend.

“ JoEllen to say I am shocked and saddened with your passing would be an understatement. We had just talked the night before. This brings home how quickly things can change. You will be missed by many. I will miss our phone calls and your sense of humor.

Jay and family, I can't begin to know how you are feeling with such a loss so suddenly. You are all in my thoughts. Please know if you need anything please call.
