*Lots of love, hugs and best wishes to the Hedrick Family, all of my cousins and the rest of the extended family. You are all in our thoughts during this difficult time. I will always remember Jack as the life loving kid in this photo. Jack always had a smile on his face and a funny story to tell. I have fond memories of many great adventures with Jack and the Hedrick boys and will cherish them forever. Although I can't be there with you all today, you are in my prayers.*
