“ Remembering many good times/visits throughout the last 50 years or so. If you happen to see that purple stingray with the banana seat, sissy bar, high (monkey) handle bars and the knobby tires; I'm coming after it one of these days to ride on those streets of gold! Might even show Uncle Terry how to do a wheelie or two... I don't know, he was pretty damn good at those wheelies too! :)
