“ *Our family came to know John as the friendly mail carrier that always brought a smile to our house when we returned to Rushville in the early 80's. John and Verlie were always kind to our family. Always inviting us to play golf with them when we found ourselves in Florida during the winter. They both took great interest in our children, and loved it when they tagged along on our golf rounds. John will be remembered as a dear friend to our family. Our prayers go out to Verlie and Jeff. Thank you for all those wonderful memories.*
