“ Butch, Kathy, Mike, Paul, Lesa, and Moochie,

I am so sorry to hear about Jon's passing. I had no idea until I stumbled across it today. I did watch the virtual service which definitely touched my heart. I had not seen Jon since I left Rushville for college. However, just a few weeks ago, I went down memory lane. I remembered Kathy babysitting for me and me often staying the night at your house. The next morning Mike, Jon, and I would bundle up and play basketball at Fish's house. We did not care how cold it was, then we would come back and have breakfast that Dorothy fixed. I also remembered the days at the Boy's Club where Jon and I would team up and play basketball in the leagues. Or, the times we would take the dogs and go down the tracks hunting together. Those were some wonderful times to remember as a kid where all we did was just enjoy the time together and the activity.....simple pleasures but creating everlasting memories.

I know his passing will leave a void in your hearts, but those memories will always be held dear to your hearts. I hope and pray that those memories also bring joy and a smile to your face even though your sorrow. I know personally that those memories are helping me.

I just wanted to say that I am very sorry for your loss and I will include you in my prayers. Thank you for allowing me to have such wonderful childhood memories.

Oh my John you were such a great west ender with all of us. We were all poor but had the best friends and times together. Babysitting you was the easiest money I ever earned plus George and Patty bought us pizza every week. I was in heaven. Losing the 1st sibling has been difficult. Thankfully the Lord took him quickly. Bother Jon loved the Boys Club and all those games @ the Fish property! We appreciate your reaching out to us! Thank you 🙏😊

*“ Have not seen you for years but Gonna miss you “Dumps” More than once you rang someone’s bell including mine, in fact the first few 7th grade football practices with the number One 8th grade defense . You were playing the middle linebacker and they gave me the ball to run up the middle. My ears are still ringing to this day 40 + years later!
BO KNOWS! The bus rides home from a game having “JAR” squeal like a pig , super fun!
RIP BIG”ED” , TONS of RESPECT my friend.*

“ I have fun memories of John and he was always funny and big brotherish type with me. I'll always remember that. I lived around the corner from the family on Oliver. Yes, sports was his calling at the time cause he was good at all sports. I've been away for along time but whenever I see that a childhood friend has passed, it really saddens me. My condolences to the family.

“ Jon God bless Jon and family. Being kind and friendly is a Bowling characteristic. Jon would help anyone from what I've seen. He loved sports and excelled. The way he talked football was number one. He had athletic talent galore. Jon was a funny guy
He had a good sense of humor
His struggles showed just how tough he was. I'd have to say Jon Bowling was a good person. I grew up knowing Paul, Jon and Mike and I consider myself fortunate for that. They are just good people and that's how I'll remember Jon. A good person. God bless you brother
