“ *When I started working at the Franciscan Pool teaching water aerobics, Joyce was one of the first student's that I met. She was so friendly and kind. We would chat about our families, she loved to talk about Jamie. She was genuinely interested in my family as well. I will miss those conversations so much. She always had a smile on her face, and I enjoyed being around her. Prayers to the family.*

“Joyce and I were friends through high school:) She was a friend that never failed to encourage you to take the high road and was always happy:) She was the most loyal friend I’ve ever had. She would pick me up on her way to school in her little Gremlin so I didn’t need to ride the bus:) We cruised Kunkles in Connersville and one night we went back to her house to not realize it but had trapped her dad in the kitchen in his underwear:) We laughed about that one for years! She called me and took me out for my bithday every year. The years I lived in CA she loved to call me and wake me up since we were 3 hrs difference in time to wish me a happy birthday! She was a light to those around her and will be missed dearly! I’m praying for her family during this difficult time! 🙏💔💔💔
