“ I'll always remember all the fond memories of our time spent together; laughter on the patio, tears of joy shared, lunch together, birthday parties, planting those beautiful mums and trimming the shrubs, vacationing in South Carolina and Florida, working together at ICAP and many more memorable times shared. I'll never forget your sweet smile and all the love held in your heart for family and friends. I find comfort knowing you're finally resting comfortably and at peace. I'll hold you close in my heart and I'll love you always, my dear sister.

“ I will miss you, Aunt Sue! I remember my Sister, Judith and I stayed at your house while my Mom went to visit my Dad in Turkey. We had a great time. I played with baby Dawn and took care of her so you could take care of the house. I remember how you washed and brushed my hair out at night. I love you and I'm so sorry you are gone. You were such a kind person and I pray that there will be no drama in your passing. You deserve to have every family member try to be as kind as you! Love you and miss you! Rest in Peace and know that I will pray for you often and always will remember you.

“ I have so many fond memories of you that I will keep with me always. I spent more time at your house growing up than my own and you always treated me kindly. I know that you are in Heaven now and I take comfort in knowing this. Your life on earth was less than what you deserved and I hope that you receive all of your rewards in Heaven. Rest in Peace my dear sweet aunt.

“ Aunt Coo,
My heart is broken, you were not only my favorite aunt but you were my friend. You were also a good friend to my Mom for so many years. She thought the world of you, tell her I said Hi and that I miss her. You fought until the end, but that was just your style, you're definitely a tough ole' bird. I love you Aunt Coo, I will miss you more than words can express. You enjoy those golden streets up there in Heaven, enjoy the days of no struggles and always know that I loved you more! :)
