“ I was very fortunate to be able to have dinner with Kellie just two Saturday nights prior to her passing. I was devastated when Aunt Shirley told me Tuesday morning. The man upstairs tapped me on the shoulder. " You need to call Kellie." I am so very glad I listened. We had a wonderful time surrounded by friends and Jerome Beacraft my nephew was a great host for our evening. She was like my little sister. We are only 14 months apart and many of my childhood memories she was a player. We were all over "the hill" in Rushville in the early to mid 1970's. I gave her a hug, told her I loved her. She replied, "I love you too call me!" I did. She was a special member of my family and will truly be missed.

“ I am not sure where to begin. Kellie and I have shared many memories together for the last 4 years. The love we have will never die. I miss you so much. It's hard to go to your home knowing I won't see your lil fat cheeks. Nobody will ever understand us but us. Nobody will ever touch the space in my heart that you hold.
