“ I am so sad to hear that Larry has passed. I first met Larry in Indianapolis in the late 70s. Although we were both from Rushville, we did not discover that until years later when I ran into him in town. I will miss seeing him around town and at the concerts at Riverside Park. Larry was very warm and charismatic. He always had a smile and a kind word. I shall never forget him. My deepest sympathy to all of his family and those that loved him. Melissa Garrison Agnello

“ I’m proud to say Larry was my friend. Even though I moved away, we remained friends until the end. He taught me compassion for other human beings in many ways. First when we played high school football together. During practice we tackled a teammate at the same time, the lad’s leg was broken. Well that was that for me, I thought, those things happen. Larry said to me after practice, “We should go see the lad in the hospital.” I agreed and we did. From then on we became friends, and I never forgot how in the toughest of times, he taught me how to behave.

“ I am deeply saddened by this news. I met Larry back in 1985 when he was working as a waiter at The Crystal Room at the Marott in Indianapolis. Larry was so suave and boy was he talented! I will never forget watching in awe as he made his Caesar Salad tableside and he could make those flaming drinks which he poured back and forth between glasses. We stayed in touch ever since and he was a good, good person. Cool as the other side of the pillow. No more pain brother.

“ *Upon meeting Larry my senior year, '69, we were really good friends. Our friendship was always there. Whenever we saw each other we carried on conversation about the weather or anything mostly about tht senior year, the first consolidation of Rushvilles county schools! What a blast he was. He will be remembwred in yrs to come.  
My condolences to the Davis family may God be with you.
