“ *My deepest condolences to the entire Tompkins' family. I first met Larry when I was 12 or 13 in Junior High and we stayed classmates until our graduation in 1974. Ironically, some 43 years later I began working with Mark and I was able to see Larry a couple of times. RIP & Thank You for your service to this country.*

“ *Now you can ride in the wind as much as you want. I rode with Larry on alot of fund raisers. He also help me and a few others start the nursing home ride where we raised money for rush county nursing homes for Christmas. Then we would visit them and pass out gifts for all of them that was there in the nursing homes the second Saturday of December. We have done this for 17 years. God bless you*
