“ *Laurie and I met in kindergarten in Arlington. This breaks my heart. Our boys have been good friends for years as well. Im so sorry for the family and will be praying for all.*

*When I first moved back to IN in 1999 I was walking out of a restaurant and crossed paths with her and we talked as we always did had and never lost time. As I walked away my husband at the time asked me how I knew her and I told him from Kindergarten. He was from CA and never heard such stories of running into people after that many years. I told him we are family in Rushville and always there for each other when able to do so. 💔🙏❤️*
