*Aunt Leta Jean was my favorite great aunt from the beginning. She was so sweet, kind, and loving. Through the years, I had often wished she had been my mother. I never saw her angry. She wore a smile like the sky wears the sun.*

*Every year, at our family reunion, it was Leta Jean and her family that I looked forward to seeing the most. Of course, I had to see Tommy, too... my kissin' cousin. He was always so appreciative of the mother that she was to all her children. She was their cheerleader and champion; unconditionally loving and supporting each one. She gave them good, solid roots... and wings big enough that they could fly high above the noise of life... into a place of peace... just like she made me feel every time she hugged me.*

*She was my Mamaw's favorite sister. Mamaw named my mother, Thelma Jean, after Leta Jean. And my mother loved her so much that she named me after her.*

*I will hold her dearly in my heart forever. I'm so grateful to have known and loved her for all my 67 years.*

*Hugs and peace in the hearts of all who love her.*

*Venus Jean*
