“ *After my dad went to be with the Lord, Uncle Lewis became my heart, my smile, my person to talk to when I needed dad. He was always on the other end of the phone when I needed him. My heart is hurting, but I know that he is in a better place. No pain! No sickness! And with all the family that's gone before him. And you know what?!? That is helping me smile. My prayers go out to my sweet cousins! I love you all!*

“ *He always had a smile and a good word for me and most of the time a good joke also. Next to Dad, he was my go to guy. He will be missed by many. Although I could never get him to stop calling me Dickie, I never really minded because he was special.*
