“ *I am so sorry to read about Linda's death today. We met for the first time in April last year. We were both great granddaughters of Charles Mckee. She welcomed me with open arms into her home and I enjoyed hearing about her Genology research and seeing the New Salem yearbook that showed pictures of my father, uncle, and my aunts when they were in high school. I also enjoyed meeting her little dog Oscar, whom I am sure misses her very much.*

She sent me several emails, and I enjoyed our online chats. I could tell that she loved her children very much.

I offer her family my deepest sympathy.
