“ From the commons family---just want to say we have so many memories of our time of Pastoring the Blue River Wesleyan church, which certainly included the Anderson family. Paula . and Cathy were best friends and loved being roomies at Junior Camp. One year lois(the seamstress) made them matching dresses! Our boys loved playing with Anderson boys.. and I'm sure Teresa and Connie would have been best friends if we had stayed there long enough. Ray, remember the youth group camp out in Brown county.? I have made mistakes in typing here, but remember, "I am legally blind" and the print is so tiny. I am a bit envious of Lois today --- healed and happy! ❤️
