“ *Lola was a very special person. She always had a smile on her face, & when she left your floor (at FMH) you always felt better, because she always brightened your day. My prayers & thoughts go out to Becky, her siblings, & the rest of the family . May Heavenly Father bless & comfort you as you bond even closer as a family missing their angel.*

“ *Becky, I am so sorry for your loss. I have loved you like a sister since we were in sixth grade! Remember when your mom took us to buy our wedding gowns? That was a really great day for all of us. Your mom was always a lot of fun. I hope that all the memories help to comfort all of you. You were a great daughter and Brayton and Hunter brought her so much joy! For all of you I send my deepest sympathy. I will keep you in my thoughts and prayers. You and Artie, and Brayton and Hunter are in my heart always!! I Love You, Cathy*
