“ *Lu was more than a sister to us. She was a friend. We did many things together. She was on a bowling league with Patty. We bowled with her on Friday nights. I went Fishing with her when ever I could. She was over at least 5 times a week to check on us, usually bringing food she had fixed " to much of". We went to dinner at the China Wall at least once a month. She was a big part of our lives, We will miss her more then most.*
